Beskrivelse av utseende og kjennetegn

Molly is black tuxedo cat with big yellowish greenish eyes. She is very friendly and sweet and from what we have found at home not skittish. I have made loud noises and she does not run and hide. She is picky about the food she likes. She is chipped from previous owner and also neutered. We miss he...

Historie

Molly loves to go in and out. Two nights ago she went out and did not come home. She is so lovely and friendly we think someone may have taken her in. Her collar had fell off and we could not find it and we're not able to replace it before she went missing. We love her and miss her.
