Beskrivelse av utseende og kjennetegn

She is mostly black with white belly, four white socks and partially white face. She has a pink nose and big green yellowish eyes. She is chipped with an ID tattoo on left ear. She was wearing a pink collar with hearts and bell. She is very friendly and loves to cuddle, usually not afraid of an...

Historie

She left home at noon around 12:00 on 31.07 and did not return, which is very unusual, she always came back for meals and especially at night....
