## Beskrivelse av utseende og kjennetegn

Small, grey, slender / athletic in build. Blue collar with small bell. "H" tattoo in his ear from the rescue shelter at FOD is the key identifying mark. Block grey colour with light grey to white on his underside. Looks block grey from some angles. Yellow/green eyes.

## Historie

Sebastian is a small (4.5kg) rescue cat who left from the second floor window in Hallings Gate the night of 11 September. He has sadly not been found. As a young rescue, he is extremely fearful of people, unlikely to approach and would not be picked up by a human. He got out of the apartment o...
