## Beskrivelse av utseende og kjennetegn

not afraid of people, but seems looking for some building to enter and return home.

## Historie

Hi, I saw this cat walking around and meowing near Vidar Gate 4. At one point, it wanted to walk into the building, but the neighbor refused. it seems lost and looking for any building door to be opened for her. sadly I can't take a pic of it's face, but hopfully it helps someone if it is your miss...
