Beskrivelse av utseende og kjennetegn

Its fur is a bit long. It has 3 colours of brown or something similar and a bit of gray. It's a young kitty.

Historie

This cat hangs out in our terrace and garden for several days. She looked scared and malnourished, hiding under our exterior stairs and meowing. It had ticks on her head. At first we thought it would go away because many cats of the neighborhood pass by our garden. These days we feed it and cleaned ...
